Edgerley Family Horizons Center by the numbers
Great Things are on the Horizon for the Children of Boston

New Building Benefits

- Serves more children and families
- Enables enriched curriculum
- Facilitates greater family engagement and community building with dedicated spaces for both
- Provides ready access to other social services in the same building (DCF, YouthBuild and Room to Grow)
- Family medical services available in the same building
- Inspires young minds with beautiful and thoughtfully designed spaces
Horizons Center Highlights

22 Classrooms
Parent Resource Center
2 Gross Motor Rooms
Community Meeting Room
Parent Resource Room
Mothers' nursing Room
2 Dedicated outdoor play areas designed for specific age groups
Children’s Library
STEM Room/Art Zone
Space to Learn and Grow

A library offering programming in a space that inspires

- Curated collection of books reflecting key social-emotional topics like diversity and self-esteem

The Frederick L. Worcester Children’s Library under construction Feb, 2021
Space to Learn and Grow

STEAM (science, technology, engineering, arts and math) Lab
• Enables engagement in hands-on activities, including building and creating
• An early childhood robotics program
The Family Partnerships Program

Both children and their parents are enrolled.

Family Advocates work with parents to build resilience and strength for themselves and their families.

1-on-1 coaching helps parents in the pursuit of:
- employment opportunities
- career options
- education
- resource connection
- personal wellness
- financial literacy
Enrolling at Horizons

Eligibility
- Families living in scattered sites, domestic violence programs, substance abuse programs and congregate sites.
- Families who meet the definition of homelessness under McKinney Vento are also eligible.

Residency
All are encouraged to apply for our program.

Required documentation
- Housing and income verifications
- Medical information about their child

Funding requirements
Subsidies are not required to enroll

Process
Work directly with our enrollment team at admissions@horizonschildren.org
The Playspace Program

Dedicated space in shelter for children to play and grow, and build connections with other caring adults who are committed to their success.

Outdoor Shifts
- Now open outdoors using new health and safety protocols
- Required volunteer re-orientation
- New protocols include:
  - Daily health checklist
  - Masks & social distancing
  - Enhanced cleaning

Partnering with Parents
- Parent workshop series to connect and empower parents on the journey of parenting
- Offered via Zoom or self-guided format
