

Playspace Game

Show Me Your Moves

Two lines are drawn or placed on opposite sides of the room. The children stand on one of the lines at least 6 feet apart. The line could be drawn with chalk, placed with tape, rope, yarn, etc.

The leader will call out a movement (walk, hop, etc.) and the children will do that movement to the finish line, then back to the starting line. Make sure to stay 6 feet apart! The leader can change up the movement as you're moving.

Ask the children to name some moves and demonstrate those moves. Use those movements in the game! Finally give everyone a chance to choose the movements and be the leader.
